MEMORANDUM FOR: Deputy for Field Activities, OSA

SUBJECT: Monthly Activity Report - Kadena AFB  
Detachment Commander

REFERENCE: [ ] 012 (IN 70926)

PART I:

1. Paragraphs 1., 2., 3. and 5. noted.
2. Paragraph 4. discussed with [ ] who will advise on fuel status.

PART II:

1. Following recommended reply to comment in paragraph 4. that a hanger has not been designated for emergency retrieval of A-12.

"Ref para 4. In discussion between M/General Clark and Colonel Wilson (Hqs USAF) during recent visit Kadena, it was agreed that Project Headquarters would advise General Clark through you of the time period within which an emergency landing at Kadena might occur. General Clark agreed to make necessary hanger available to you during specified time period.

[ ]  
Lt. Colonel USAF
